Vol. 6, no. 4 (Winter 2007-2008)

Invitation to Join Weak Signals Group!

Fellow futurists – you are invited to join the new group that we have started to collect weak signals worldwide, signals that often foreshadow the future. Visit <http://www.flickr.com/groups/weaksignals/> to contribute your observations of weak signals and to read the observations of other futurists.

Elina Hiltunen

Futurist and Researcher
